## The Game Is Won

Reference number PT0226

Am I talking too fast?  
I got a lot to learn,  
I'll keep my eyes wide open  
and I will wait my turn  
I would jump right in  
but now I'm not so sure.  
If I put two and two together  
oh, will I still get four?

And I know where I belong,  
but I'm still breaking through,  
sometimes I get it wrong  
but I'm keeping it true.

*(Chorus)*

If ev'rything is how it should be,  
then everything will come,  
when it gets here I'll be ready,  
oh, if it's just determination  
ev'rything will come,  
and the games already won.

They say you have one chance,  
but that, I don't believe,  
although my expectations  
can get the better of me.  
I shouldn't be afraid  
of what I cant control  
'cause whatever's round the corner  
I will take it all.

And I know where I belong,  
but I'm still breaking through,  
sometimes I get it wrong  
but I'm keeping it true.

*(Chorus)*

If ev'rything is how it should be,  
then everything will come,  
when it gets here I'll be ready,  
oh, if it's just determination  
ev'rything will come,  
and the games already won.

Believing in myself cant be wrong.  
No. I'm waiting for my time in the sun,  
yeah, oh.  
Believing in myself cant be wrong.  
oh, oh,  
I'm waiting for my time in the sun.  
Oh.

*(Chorus)*

If ev'rything is how it should be,  
then everything will come,  
when it gets here I'll be ready,  
oh, if it's just determination  
ev'rything will come,  
and the games already won.

Believing in myself cant be wrong.  
*(vocal ad lib)*  
Believing in myself cant be wrong.  
Believing in myself cant be wrong.  
and the games already won.  
Yeah, ooh. Mm, mm.
