Broadway Boogie

Reference number PT0000

Lights are bright in this big city,
and baby, you look oh so pretty.
Let's head uptown and have ourselves a ball
doin' the Broadway,
Broadway Boogie!

Now we can grab a cab or drive my car.
As long as I am where you are
we can stay up late,
I won't mind at all.
Doin' the Broadway,
Broadway Boogie!

More than just a solid 4,
it leaves you wanting more and more.
The band is blowin' and the rhythm's right
so come on, baby, let's hold on tight!

Dance with me, let's intertwine,
I'll be yours if you'll be mine!
Years from now we fondly will recall
doin' the Broadway,
Broadway Boogie!
(All shout)
Let's go!

We're gonna boogie,
boogie woogie woogie,
boogie woogie woogie!
It's time to boogie,
boogie woogie woogie!

We're gonna boogie,
boogie woogie woogie,
boogie woogie woogie!
It's time to boogie,
boogie woogie woogie!

Doin' the Broadway,
Broadway Boogie!
Doin' the Broadway,
doin' the Broadway,
Boogie Woogie!
