Once Upon A Time

Reference number PT0212

Brooklyn

Has anyone ever read you a fairytale
and taken you to places magical,
where homes are made of gingerbread and skies are always blue,
where pumpkins turn to coaches and wishes all come true
Has anyone ever sung you a lullaby?
You can fly above the rain clouds.
Close your eyes.
Let the melody carry you.
Leave all your fears behind
and float across a rainbow sky to "once upon a time."

All others

Once upon a time.

Brooklyn

I believed in miracles.

All others

Once upon a time.

Brooklyn

I believed love would conquer all.

All others

Once upon a time.

Brooklyn

I believed anything was possible,
and I believed again the moment when
I saw you here tonight
Now once upon a time has
never felt more right.

All others

Oo.

Once upon a time
ah.

All others

Once upon a time.

Brooklyn

I believed in miracles.

All others

Once upon a time.

Brooklyn

I believed that love would conquer all
I believed anything was possible

Once upon a time
Once upon a time

Oh yes I believed that
anything was possible
And I believed again the moment when
I saw you here tonight.
Now once upon a time
Has never felt more right
Ah,
more right.

All others

Once upon a time.
Anything.
Ah!

We believed in miracles
we believed that love
would conquer all.
Oo.

Ah!
Never felt more...
Ah!
