The French are glad to die for love,
They delight in fighting duels,

But I prefer a man who lives,
And give expensive jewels;

ALL

A kiss on the hand may be quite continental,
But diamonds are a girl's best friend.
A kiss may be grand,
But it won't pay the rental on your humble flat
Or help you at the automat.
Men grown cold as girls grow old,
And we all lose our charms in the end.
But square-cut or pear-shape,
These rocks don't lose their shape,
Diamonds are a girl's best friend.

There may come a time when a lass needs a lawyer,
But diamonds are a girl's best friend,
There may be a time
When a hard boiled employer thinks you're Awful nice,
But get that "ice" or else no dice.
He's your guy when stocks are high,
But beware when they start to descend.
It's then that those louses
Go back to their spouses,
Diamonds are a girl's best friend.

(intense whisper)

Diamonds!

Diamonds are a girl's best friend.
