Love Is My Reason

Reference number PT0413

*REFRAIN*

Love is my reason for living,  
Love is my reason for giving,  
Life would be only empty and lonely  
if it were not for love.

Do you remember our meeting?  
Surely you heard my beating,  
Now in your tender arms I surrender  
finding my own true love.

*VERSE*

Here is my heart,  
Beating for you,  
Take this reminder of these moments  
when our fates have been kinder.

Here is my heart,  
Pray use it well,  
If I could not give  
I should not choose to live.

*REFRAIN*

Love is my reason for living,  
Love is my reason for giving,  
Life would be only empty and lonely  
if it were not for love.

Do you remember our meeting?  
Surely you heard my beating,  
Now in your tender arms I surrender  
finding my own true love.
