## My Simple Christmas Wish

Reference number PT0375

Ever since I was a baby I have had one dream in mind,  
And each Christmas I think maybe it will finally come true,

*(Alternate lyric)*

*And I hope and pray that maybe it will finally come true*

It's a simple wish that everyone has had from time to time,  
So I know you'll understand me when I share my dream with you...

I wanna be Rich, Famous and Powerful!  
Step on all my enemies and never do a thing,  
I wanna be Rich, Famous and Powerful!  
So all I have to do in life is sit around and sing,  
*(spoken)*

I don't wanna work,

*(sung)*

struggle or compromise,

When I set a goal I wanna reach it right away,

*(spoken)*

'Cause paying your dues, that's just for other guys,  
As for me I want what I want and I want it all today!

*(sung)*

I don't wanna audition,

I don't wanna take class,

I wanna be discovered while I'm sitting on my ass!

I should not have to suffer,

I should not have to sweat,

*(spoken)*

I tried that once for ten minutes look, what did I get?

I'm still not Rich, *(sung)* Famous and Powerful!

*(spoken)*

Barbara Streisand has it all and I can do what she can do,

*(Alternate lyric)*

*Frank Sinatra has it all and I can do what he can do*

So why is she Rich, *(sung)* Famous and Powerful?

While I'm still stuck here shleping through my life like all of you!

*(spoken)*

What does it take (*sung*) to be Famous and Powerful?

Santa, if you're listening please tell me what to do,

(*Alternate lyric*)

*God if you are listening please tell me what to do,*

(*spoken*)

What do I have to fake (*sung*) to be Famous and Powerful?

I've done everything I can and now the rest is up to you!

I tried being good,

I tried being nice,

(*spoken*)

I even tried pretending I was list'ning once or twice,

(*sung*)

But the really big stars have made it without it,

(*spoken*)

Was Betty Davis pleasant? Well I seriously doubt it

STILL SHE WAS RICH!

(*sung*)

Everyone adored her and the world was at her feet

(*spoken*)

And SHE WAS A BITCH!

(*sung*)

It's obvious I've gotten nowhere being sweet!

Now I know I should be thankful for the blessings that I've got,

My husband truly worships me and starving I am not,

(*Alternate lyric*)

*There are those who truly worship me and starving I am not,*

And I suppose good friends and family and health count for a lot,

But I have to admit,

All this (*spoken*) doesn't mean SHIT

if I'm not Rich, (*sung*) Famous, and Powerful!

(*spoken*)

Oh come on,

Don't be so shocked, You know you feel the same as I,

(*sung*)

If we were Rich, Famous, and Powerful,

We could take all those agents and casting directors,

Tiny apartments and back tax collectors,

Critics and casting calls, chilly rehearsal halls,

People who bore us, And jobs in the chorus,

And kiss them all good-bye!

(*spoken*)

Is that too much to ask?
