## Cruel To Be Kind

Reference number PT0962

*(Spoken)*

It's always unsettling and never very nice  
to find a bargain book that should be nearer half the price.

Buy on line?

Are you stupid?

You're clearly not blind!

'Cause they're ripping you off buddy!

I'm being cruel to be kind:

*(sung)*

You've gotta be cruel to be kind.

*(spoken)*

A tear jerker mean nothing if it's not an instant smash

If one cries who cares but a million instant "cash!"

But when your son's penned a story and it's so unrefined  
he needs to know he just hasn't got it...

*(sung)*

You've gotta be cruel to be kind.

You've gotta be cruel to be kind.

You've gotta be cruel to be kind.

Take my word for it pal,  
you gotta be cruel to be kind.

This little test was long overdue,  
but understand I want the very best for you,  
so put this silly thought right out of your mind,  
you need to relax this is a fact babe you need to unwind  
you gotta be cruel to be kind.
