Waiting

Reference number PT0954

KAY

Waiting, waiting, yes, he's late again.
Waiting, waiting, Hubie's late again.
What a lovely anniversary.
All alone at Casa Cabana, me!
Waiting, waiting, for Hubie, waiting for Hubie.

Ten years,
Ten years,
Ten wonderful, marvelous, beautiful,
Ten beautiful years.
Waiting, waiting,

I know he isn't staying late at the office,
because he hasn't got an office.
I know he isn't being kept overtime at the store,
because he hasn't got a store.
(spoken)
Big deal!

Da dad a dad a dad a dad a dad a da
Dad a dad a dad a dad a da
I always say next time he's late I won't wait, I'll just leave.
I say it, but I never leave.

Waiting, waiting, Ten years out of ten;
Hubie's late again.
