## Nobody But Me

Reference number PT0956

Baby, I get a little bit jealous.  
But how the hell can I help it when I'm thinkin' on you?  
Maybe, I might get a little reckless,  
But you gotta expect it.  
What else can a boy do?  
My mama taught me how to share,  
but I'll be selfish and I don't care  
Cause I want you, I need you all for me.

And I don't want anybody lovin' my baby.  
Nobody, nobody, nobody but me.  
And I don't want anybody thinkin' "just maybe."  
Nobody, nobody, nobody but me.

And I know when you got a lovely lady,  
it might drive the boys crazy when she's looking so fine. Woah,  
I know, know, know no one would ever blame me.  
The only thing that could save me is just knowin' you're mine.  
My papa told me once or twice,  
"Don't be cruel, but don't be too nice."  
Cause I want you, I need you all for me.

Cause I don't want anybody lovin' my baby.  
Nobody, nobody, nobody but me.  
And I don't want anybody thinkin' "just maybe."  
Nobody, nobody, nobody but me.

*(Rap)*

Aye, we make beautiful music together;  
how you make my heart sing.  
Grew into this "I want us never be apart" thing,  
Work of art thing, the way you pull me like a harp string.  
Every moment spent is worth it; that's the perfect part, see?  
I like whatever you like. We had to do right and  
Do like two sovereign nations and try to unite.  
I'm proud of you; like a treasure, you're the one I'm cherishin'.  
Every other girl is really palin' in comparison.

I'll know, I can be a bit jealous.  
But how the hell can I help it?  
I'm so in love with you.

I don't want anybody lovin' my baby.  
Nobody, nobody, nobody but me.  
I don't want anybody lovin' my baby.  
Nobody, nobody, nobody but me.

Oh, my papa told me once or twice,  
"Don't be cruel, don't be too nice."  
My baby needs no lines from me.  
Whoa, and I know how to share,  
but I'll be selfish; I don't care.  
My baby don't need no one but me.
