Beautiful Girls

Reference number PT0272

Hats off,
Here they come, those
Beautiful girls.
That's what you've been waiting for.
Nature never fashioned
A flower so fair.
No rose can compare-
Nothing respectable
Half so delectable.
Cheer them
In their glory,
Diamonds and pearls,
Dazzling jewels
By the score.
This is what beauty can be.
Beauty celestial,
The best, you'll
Agree:
All for you,
These beautiful girls!

Careful,
Here's the home of
Beautiful girls,
Where your
Reason is undone.
Beauty
Can't be hindered
From taking its toll.
You may lose control.
Faced with these Loreleis,
What man can moralize?
Caution,
On your guard with
Beautiful girls,
Flawless charmers
Every one.
This is how Samson was shorn;
Each in her style a Delilah
Reborn.
Each a gem,
A beautiful diadem
Of beautiful-
Welcome them-
These beautiful
Girls!
