## Easy Money

Reference number PT0122

### *VERSE*

I knew something good was gonna happen.

I knew it. I knew it.

I knew I belonged in New York City,

I knew it. I knew it.

Started out behind the bar,

ended up a gogo star.

Well, you shoulda heard 'em shout and holler,

and holler, and holler.

Handlin' me up another dollar,

a dollar, a dollar.

Dancing out there in the buff, they just couldn't get

### *CHORUS 1*

enough of me.

Anyone who was there

woulda seen why they went wild.

They went nuts. Now I know what they mean by

easy money; I'm learning how to make it.

Easy money, you just reach out and take it.

Ain't it funny how things can change?

My take-home really was low.

I never knew it was so

easy honey, just give 'em what they came for.

Easy honey, just smile and play the game for

easy money. Don't let it end.

Oh, that easy money is so easy to spend.

*CHORUS 2*

Told ya, kid, I'd be fine.  
Now ya see things are breakin'.  
What a night! It's a sign.  
From now on I'll be makin'  
easy money; tomorrow let's go shoppin'.  
Easy money, we'll keep that salesgirl hoppin'.  
Ain't it funny how things work out?  
Though some girls would refuse to,  
I really could get used to  
easy money; reserved for pretty faces.  
Easy money, this girl is going places.  
Someone up there gave me a break.  
Oh, that easy money, oh, that easy money,  
oh, that easy money, it's so easy to take.
